Celtic History Day Field Trip

Celtic History Day is back for another day of fun filled educational experiences in Celtic History and the Renaissance time period. Come join us as students and families from around the state gather at the Sonora Fair grounds to step back in a time of romance, adventure, and even a bit of magic, all while learning about the Celtic culture and history. Pre-registration must have a minimum of 12 students. Students will be given a school name badge and are required to wear it at all times.

This event is open to the public, but for school groups we have discounted the price for adults and will check in pre-registered schools before the gates open to the public. **If you don't pre-register adults will have to pay the gate price of \$10 to get in.** *Due to the event being open to the public we ask that you keep good adult/student ratios.*

Plan Your Own Day

Upon arrival, your group will pick up a packet at the will call table with student badges and a program for you to plan your day.

Students are not allowed to roam the grounds without adult chaperones!

Event is indoor and outdoor. If it's a rainy day, shows will take place under cover, so remember to dress for March weather.

We welcome costumes. Many students enjoy researching and recreating historical dress.

Bring your lunch or eat at one of our food vendors. If you are bringing sack lunches please have students bring them in a backpack or make arrangements with me to keep them at the info booth (larger groups only on buses) It is quite a long walk to where buses are parked.

There will be merchant vendors open, so don't forget a little money for a souvenir. Minors are not allowed to buy weapons without a parent. Remind your students to follow your school policies on weapons.

Please email if you plan to attend, so that I can plan for bus parking, student badges and thank you souvenirs. I will need an approx. student count, school colors, and number of buses needing parking.
